

Kit-Sampler Parts Instructions

See BOM column "Group".

1) **Group B** (resistors, capacitors, diodes, headers) placed into a clear plastic bag (Item 1)

2) **Group C** (Items 15 and 16: ICs and IC sockets) placed on foam OR placed in IC tube:

Foam or tube is OK.

3) **Group C** placed into plastic bag (Item 1). Photo shows foam option.

4) PCBs and faceplate PCBs (Items 17 and 18) can be shipped together in bulk
